## Vehicle Finder

Use the Vehicle Finder to see all available vehicles. You can filter by these different categories:

- Type of vehicle.
- Type of damage.
- Featured Items
- Purchase options.
- Location
- Current bid price

## Favorites list

Do you like any vehicle? Go to the file and do click on the "Watch" button to add it to your favorites list.

With this list you can monitor the level of demand for each vehicle and see any pre-bids.

## Placing bids

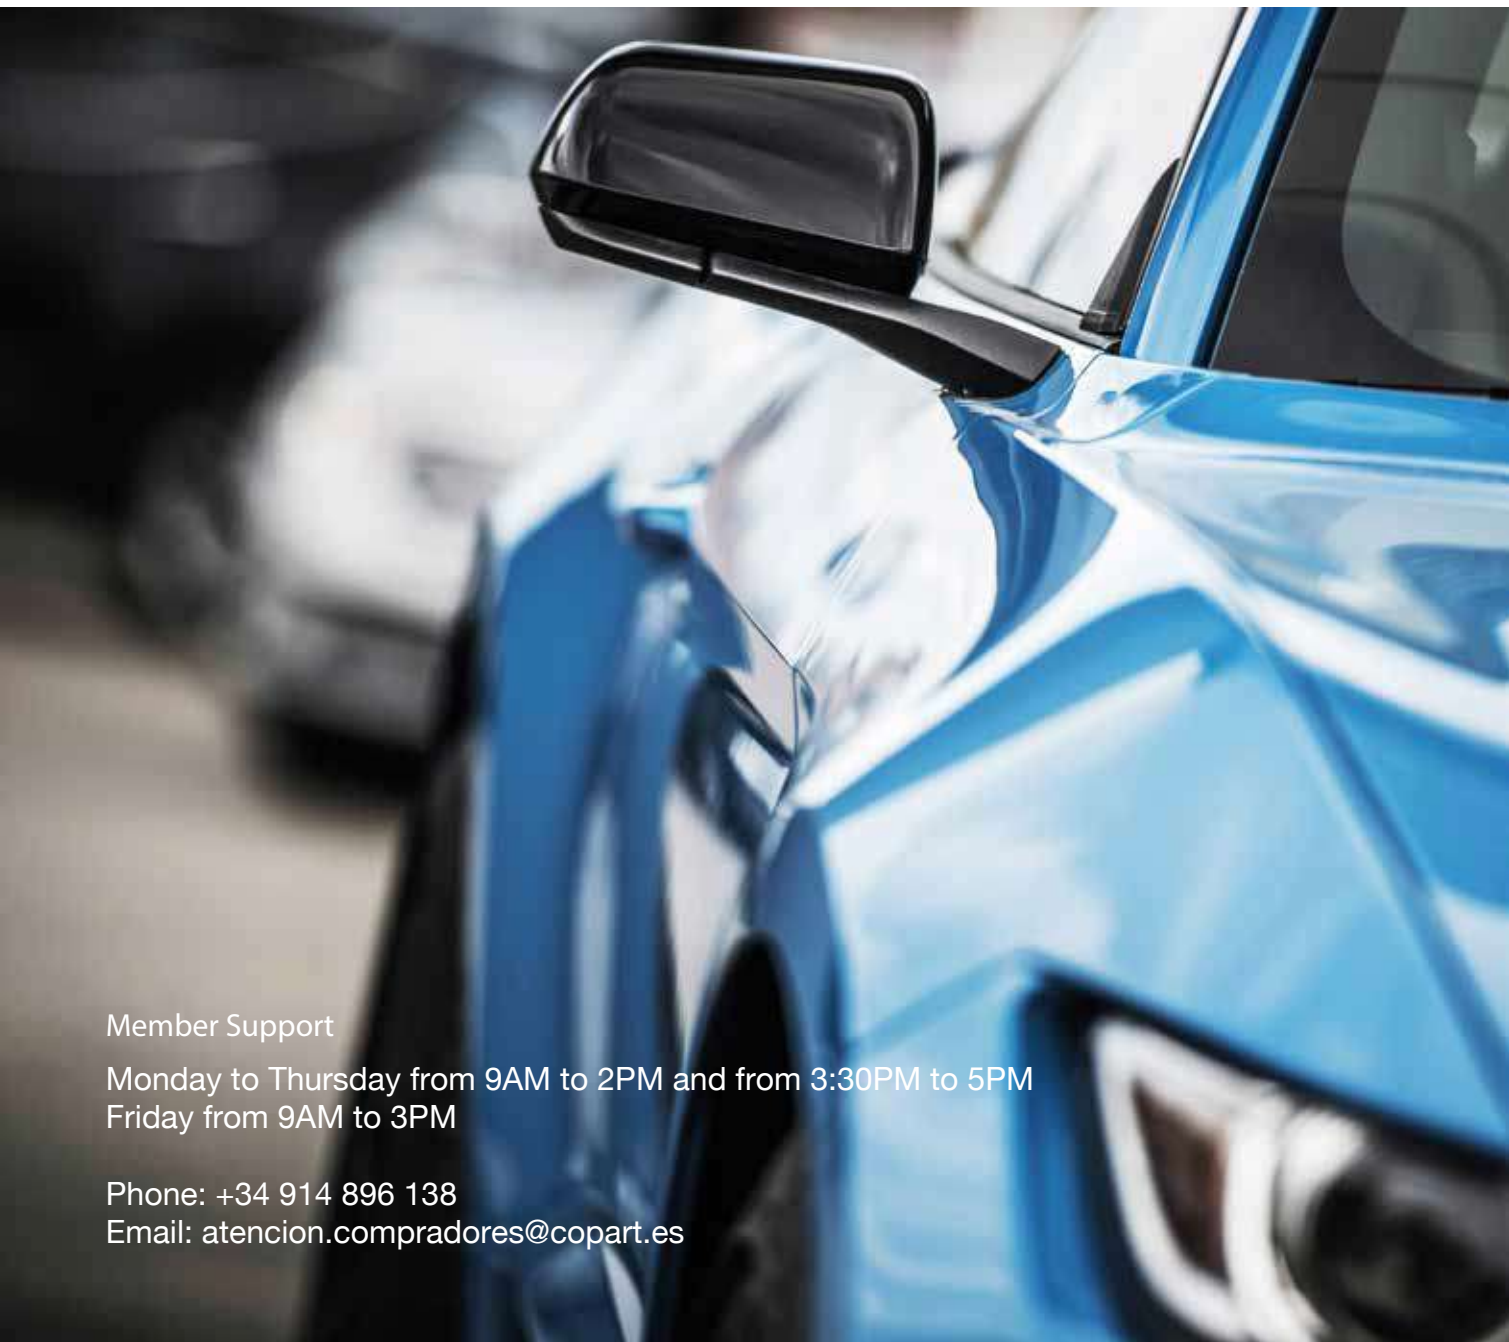

You can place preliminary bids on vehicles at any time up to one hour before the start of the live auction. Once each bid is made you should be aware of other possible preliminary bids.

This preliminary bid will be the winner when it is not overcome by another bid preliminary, or another live bid at the auction.
